What is an eCRV?

- eCRV is an electronic version of a CRV (Certificate of Real Estate Value).
- A Certificate of Real Estate Value (CRV) is required to document a sale of property in Minnesota. CRV information is reviewed by the county of sale and the Department of Revenue to verify sale terms and ensure fair and equitable property tax assessments statewide.
- **Beginning October 1, 2014, paper CRVs will no longer be accepted by counties or the MN Department of Revenue.**

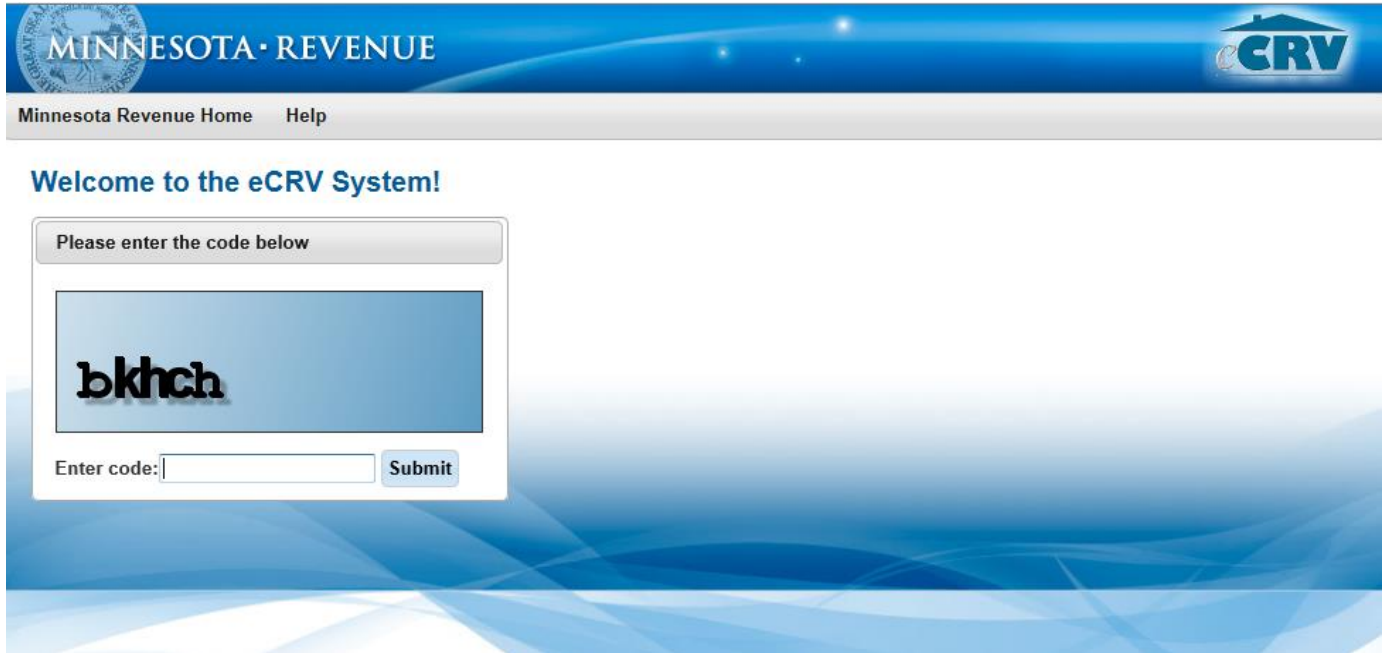

Getting Started with eCRV

Follow these steps to access the eCRV application on the Department of Revenue's website.

- Go to www.revenue.state.mn.us/CRV
- Click on **Create or Edit an eCRV.**

The screenshot shows the Minnesota Department of Revenue website for eCRV. The header includes the Minnesota Department of Revenue logo and navigation links like 'CONTACT US', 'SEARCH', and 'Services LOGIN FOR BUSINESSES'. The main navigation bar lists categories: Home, Individuals, Businesses, Tax Professionals, Local Governments, Law & Policy, Research & Reports, Newsroom, and Report Fraud. The page title is 'eCRV - Electronic Certificate of Real Estate Value'. Below the title are social media and utility icons. The main content area has tabs for 'eCRV Home', 'Test', 'Local Government Staff', 'eCRV Project', 'eCRV Extract', and 'Help and Support'. A red arrow points from the instruction 'Click on Create or Edit an eCRV.' to the 'Create or Edit an eCRV' link in the 'Submit an eCRV' section. The 'Submit an eCRV' section also includes a 'Public Search: Find an accepted eCRV' link. The right sidebar contains sections for 'Contact Us' (with phone number 651-556-eCRV and hours 8:00 a.m. - 4:30 p.m. Mon.-Fri.), 'Top FAQs' (with questions like 'What are eCRVs?' and 'Do others have access to the eCRV for my property?'), 'Related Information' (with links to 'eCRV Test Environment', 'eCRV for Local Government Staff', 'eCRV Project', 'County Websites', and 'Collection Information'), and 'About This Page' (with links to 'Rate this page' and 'Report errors/problems').
