

We mobilize our community  
to ensure access to real, healthy food.

# Together we can ensure access to real, healthy food.

Dear Friends,

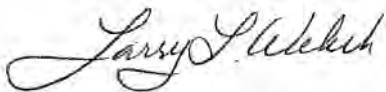

As the Board and staff of the Food Bank look back on our achievements and challenges in 2017, we are excited to share with you our accomplishments. Through the dedication of a committed staff, passionate volunteer base and increased local and regional partnerships, we continue to focus on feeding the hungry, educating our neighbors on good nutrition and working with local farmers to provide access to real, healthy food.

In 2017 we successfully piloted a fruit and veggie prescription program with our Fresh2You Mobile Market, redeveloped our Senior Box food program to better serve the nutrition and accessibility needs of our senior neighbors and initiated a county wide assessment of the needs of hunger and food insecurity in Chester County. With a number of accomplishments met, we began to reflect on what else our agency partners and their clients needed from the Food Bank.

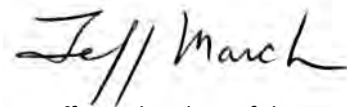

In 2016, we began a three year strategic plan that will take us beyond traditional food-banking. This past year we began to align initiatives aimed at enhancing our existing operations and innovating new solutions for ensuring access to real, healthy food. Food-banking will remain our core approach, but we will also transform how those struggling with food insecurity obtain food and continue to align ourselves as the authority on food security in Chester County.

The sobering reality is we must do more to end local hunger by improving the way we connect food to those who are in need. Chester County is a vibrant community of thriving neighbors and great wealth. But it's also a place where **hunger and malnutrition continue to reside in EVERY zip code.**

We thank our Food Providers, community partners, donors, and volunteers - ALL of whom play an important part in our success as the lead hunger relief organization in Chester County. But we have more to do and we can't do it alone. We hope you will join us as we lead the way to ensure that anyone who is food insecure has access to real, healthy food.

Larry Welsch, Executive Director  
Chester County Food Bank

Jeff March, Chair of the Board  
President & CEO, Citadel

# Thanks to Our Donors

The work of the Chester County Food Bank would not be possible without the support of generous individuals, foundations, businesses and organizations throughout the community. Financial donations support our mission to mobilize the community to ensure access to real, healthy food.

We are deeply grateful to the following donors who supported the Food Bank's mission during the period from July 1, 2016 to June 30, 2017. This listing includes all gifts made to the annual fund, as well as payments on campaign pledges and event sponsorships. We make every attempt to ensure the accuracy of this list. If you have found an error, please email [contact@chestercountyfoodbank.org](mailto:contact@chestercountyfoodbank.org)

# A Focus on Nutrition & Ease of Access for Seniors

With an overarching goal of reducing food insecurity, the Chester County Food Bank Senior Box Program serves over 700 adults, ages 60 and older throughout Chester County, PA. By focusing a lens on nutrition for seniors and ease of access, in 2017 CCFB expanded its distribution of nutritionally balanced, shelf stable foods along with fresh, seasonal produce to meet the dietary needs and requests of seniors. CCFB actively participated in the Commodity Supplemental Food Program (CSFP) from 2010 to 2016. The program, while valued, presented challenges in serving several needs of our senior community. Heavy, unwieldy boxes, a federally established poverty threshold and addressing food preferences limited our ability to provide access to foods to support the health and well-being of older clients. A program plan was developed to support seniors through a Food Bank based platform of increased distribution through a series of measures. By incorporating the same method of distribution, expanding qualification criteria and enhancing the distribution contents, CCFB has focused directly on nutritional needs of seniors. Through this program, CCFB will simultaneously affect an increase in distributions and improve the nutritional needs of seniors.

*Young and old alike "Color Some Kindness" by decorating boxes used for the Senior Box food program.*

# Bringing the Bounty of Chester County to All

In 2017, our Fresh2You Mobile Market piloted implementing Fruit and Vegetable Prescriptions (FVRx) in partnership with The Clinic in Phoenixville. With remarkable success and increasing interest in the community, Fresh2You will be offering more FVRx throughout the community in 2018. Patients in Chester County will be able to receive weekly Veggie Bucks to redeem at any Fresh2You market location, prescribed to them by their physicians. The Fresh2You Mobile Market operates June - November making select stops throughout Chester County. Fresh2You accepts all forms of payment, including cash, credit/debit, SNAP/EBT and WIC or Senior Farmer's Market Nutrition Program (FMNP) coupons. For customers shopping with SNAP/EBT or FMNP, Fresh2You offers matching dollars in the form of Veggie Bucks which can be used on any future purchases of fruits and vegetables during the Fresh2You season. Visit [ChesterCountyFoodBank.org/Fresh2You](http://ChesterCountyFoodBank.org/Fresh2You) for the 2018 market season schedule.

## Thank you to our gift in-kind contributors

*Our work is made possible through the generosity of our friends throughout the community who conduct food drives and donate produce grown at their farms and gardens. Nearly 900,000 pounds of nutritious food was grown and donated to the Chester County Food Bank during the period from July 1, 2016 to June 30, 2017.*
