Resources

Handshake

Handshake is where students and alumni find jobs and internships, register for events and fairs, sign up for an appointment, and learn more about careers and the job search. Update your Handshake profile to increase your chances of being contacted by an employer.

Firsthand (Formerly Vault)

Firsthand provides in-depth intelligence on what it is like to work in different industries and reviews on thousands of top employers. Stony Brook students and alumni have access to this resource through the Career Center.

MyWorldAbroad

MyWorldAbroad is a great resource for students interested in working abroad. The site assists students in developing global career skills and finding international work.

GradConnection

GradConnection provides international students and graduates the opportunity to find employment, research companies, and network with other graduates.

What Can I Do With My Major?

Learn about different careers and types of employers that hire each major. Make yourself a more marketable candidate in your field.

Find all resources on the top navigation bar of the Career Center's website: stonybrook.edu/career
